

## 1 Marching Onward.

CPT. TURNER.

"Come—The two options."

Now just a few words to inform you, The Army is marching along; The devil would oft try to stop us, But the Saviour leads gently along. 'C'st he and his angels marching, And come with us we pass along. And still we're determined to conquer, For victory is already won.

CHORUS.

Then onward and forward our war cry, Our Saviour He leads in the fight; In the conflicts He gives us the victory, And helps us to always do right.

The great S. A. onward is speeding, Our forces spreading over the land, The people look on with wonder, Our Saviour leads them on. But God always leads on His children, He helps us to overthrow wrong, And enables us by His own power, To go forward and press through the throng.

In following the footsteps of Jesus, Great victories will等候 us to win, We daily add to our strength, And daily we grow in size. Our motto 'tis the wide world for Jesus, Nor rest we by night or by day, The devil and wrong fly before us, King Jesus He leads in the way.

## 2 Our Aim.

CPT. MUNICHE KETTLE.

"One more step to now."

WE'RE aiming for a home above, In the beautiful land; Where all is peace and light and love, In the beautiful land.

CHORUS.

Going, going, Over the river of Jordan; Going, going, Into the beautiful land.

We're aiming for the Golden Street, In the beautiful land; Where no man will see our weary feet, As we march in the beautiful land.

We're aiming in the world depraved, As we march in the beautiful land; To the poor lost sinners saved, To go the beautiful land.

We're aiming for the holiest place, In the beautiful land; To see our Saviour's blessed face, In the beautiful land.

We're aim to sing that song so sweet, In the beautiful land; And cast our crowns at Jesus' feet, Away in the beautiful land.

## 3 Sticking at It.

SOMETHING NEW.

"Over Jordan."

OH, I am so very glad, That for me, a wicked lad, There was pardon to be had, When I was born to be bad. Since then I've had a change, And I've learned to watch and pray, I am happy every day, Sticking at it.

CHORUS.

Sticking at it, sticking at it I Hallelujah, I am still. Sticking at it; sticking at it I Hallelujah, I am still. Sticking at it.

CHORUS.

All my joy to share His Cross, Combining things else but sorrow, Sticking at it, sticking at it, Living at the feet of Jesus.

CHORUS.

Sticking at it, sticking at it I Hallelujah, I am still. Sticking at it; sticking at it I Hallelujah, I am still. Sticking at it.

When my chums they heard the news, How this devil I'd eluded, They said, "Look here it is no use, You're lost." But a year and now has gone Since I put the armour on, And I'm happy, oh, so happy Sticking at it.

And who this life is done, And it's battle are all won, I shall get away up higher, But to stay.

Till I see God's very dear Son, And hear the grand "Well done, Come ye hither all ye saints, For sticking at it."

## 4 The Sinner's Friend.

GEORGE F. SMITH.

"Come—Calvary's streams are flowing."

WHERE never was an earthly friend, So faithful as my Saviour; To-day on these you may depend; But to-morrow you may leave him; But then He is faithful to-day.

So cast your care at Jesus' feet And He will never leave you.

CHORUS.

Calvary's stream is flowing, Yes, Jesus is a faithful friend, Living there in no other, On this alone you can depend.

More than a faithful brother; The world, the flesh, the devil as well Will rob you of your pleasure, That Jesus Christ can give, And yet He is faithful to-day.

So cast your care at Jesus' feet And He will never leave you.

CHORUS.

Calvary's stream is flowing, Yes, Jesus is a faithful friend, Living there in no other, On this alone you can depend.

More than a faithful brother; The world, the flesh, the devil as well Will rob you of your pleasure, That Jesus Christ can give, And yet He is faithful to-day.

So cast your care at Jesus' feet And He will never leave you.

CHORUS.

Calvary's stream is flowing, Yes, Jesus is a faithful friend, Living there in no other, On this alone you can depend.
